

OPERATION "PAINIM GRAUN NA PLANIM DIWAI WHAT IS OPERATION PGPD?

2. GOVERNMENTS VISION 2050

- **Operation “ Painim Graun na Planim Diwai (PGPD) aims to plant 800,000 hectares of trees for commercial, community and conservation purposes.**
- **The PNG Forest Authority cannot do this alone we need the support of all forestry stakeholders including landowners, government agencies, civil society groups and the timber industry**

3. BACKGROUND ON PLANTATION DEVELOPMENT

- **Plantation Development commenced in the 1950's with sporadic progress.**
- **Currently 50,000 hectares of plantations**
- **No progress over the years**
- **Resoucrs constraints and lack of direction**
- **Land security is the main obstacle**
- **Plantation development and Management Branch inadequately staffed and resourced.**

4. NURSERY ESTABLISHMENTS

- Nursery establishment
 - 20 Provincial Nurseries by 2050
 - 89 District Nurseries by 2050
- Targets - Each Provincial (1,100 hectares)
 - District (1,100 / No. of Districts.)

5. PAINIM GRAUN (Secure land)

- **The PNG Forest Authority's regional and provincial forestry offices are equipped with awareness tools that help landowners to secure land that is suitable for tree planting operations.**
- **Yu laik save Moa lo Diwai ?**
- **First visit PNGFA**
- **Then register with Operation PGPD.**

6. Planim Diwai (Plant trees)

- Operation Painim Graun na Planim Diwai (PGPD) assists tree planting operations on both customary land and state land; working through the PNG Forest Authority's regional and provincial forestry offices.
- The PNG Forest Authority will sign community tree planting agreements with successful applicants that have met the program's competitive selection criteria.

7. TARGETS

- **PNG annual Targets – 22,000 hectares per year.**
- **Provincial Targets – 1,100 hectares per year**
- **District Targets – 550 Hectares per year**

8. 4 x REGIONAL WORKSHOPS **CONDUCTED**

- **NGI, HIGHLANDS, SOUTHERN AND MOMASE**
- **Raise awareness amongst the staff, Provincial Administration and stakeholders.**
