KANAWI POURU RECREATIONAL CENTRE

Kanawi Pouri Recreation Centre (KPRC) provides a relaxing and soothing atmosphere because of its tranquil and exquisite surrounding within the precincts of its mini tropical rainforest in the heart of a normal hectic Port Moresby city, which amuses many visitors.

Owned by the Papua New Guinea Forest Authority and situated within the premises at its headquarters at Frangipani Street, Hohola, National Capital District, KPRC is very welcoming right from the entrance with well kept and pruned hedges and greenery.

The Recreation Center was named after PNGFA's former Managing Director, Mr. Kanawi Pouri who had served the industry for over three decades.

KPRC is one of his many initiatives initially developed for the benefit of PNGFA Staff, which has now been extended to the Public.
